Subject: Johnson Utilities Evaluation- 8/24 Update from EPCOR

Elijah,

Please find below a summary of the progress this week:

Site Visits:

Site visits for seven (7) water sites has been scheduled for August 30, 2018.

The EPCOR team completed one workshop to debrief on Lift Station site visits and discuss engineering, operational, and compliance findings related to the lift stations.

Johnson Utilities Data Requests:

JU Data request #2 was sent to Johnson Utilities on August 13, 2018. JU indicated on August 21, 2018 that the data assembled for data request #2 is very large and JU is looking for a data transfer solution to send the large electronic files to EPCOR. EPCOR sent a Dropbox file transfer link to JU on August 23, 2018 as an option for large file transfer.

JU Data request #3 was sent to Johnson Utilities on August 24, 2018. Items requested included:

- *Comprehensive list of all water and wastewater sites (wells, LS, plants, etc.)*
- *Addresses for all water and wastewater sites*

EPCOR is on schedule with the Johnson Utility Evaluation. Please let me know if you have any questions.

Claudia Christo, PE, MBA

Engineering Manager
